

2019 Joint Workshop
on
Future charm-tau Factory

24–28 September, 2019

The goal of the Workshop is to discuss the future charm-tau factory projects. The physics case will be revisited via joint theory and experiment contributions, together with detailed discussions on the required accelerator and detector design. Two existing proposals – one in Novosibirsk and the other in Hefei – will give a base for discussions.

Workshop Site and Date

The Workshop will be held from 24 till 28 September, 2019 in Moscow at the Russian Academy of Sciences Main Building.

LLC MESOL is the authorized operator of the Workshop.

Workshop Fee

The Workshop fee is **22 000 Russian rubles (~300 Euro)**. In case of the payment before August 15, the fee is reduced to **18 000 Russian rubles (~250 Euro)**. The Workshop fee covers

participation in all scientific sessions, the Workshop kit, coffee breaks, participation in all social events.

The fee for accompanying persons is **8 000 Russian rubles (~110 Euro)**.

The payment is to be done via a credit card or bank transfer in advance. The official Workshop operator LLC MESOL is authorized to collect payments. As an exception, payment on site (Russian rubles only) could be accepted. In such a case the Organizing Committee should be notified in advance.

Visa Information

Foreign nationals of most countries, including citizens of the EU, US, Japan, China, are required to obtain a visa to visit Russia.

The Organizing Committee will prepare and send a visa support letter to participants upon completing the [Registration form](#), where applicants are kindly requested to supply the organizers with a copy of the passport page (with a photo) and personal data. The same information is to be provided for the [accompanying person\(s\)](#). If you plan to obtain a visa in a country you are not a citizen of, a copy of your residence permit is also needed.

For citizens of the EU countries as well as India, Japan and USA a simplified visa procedure is provided: the invitation can be issued by the inviting organization within one day. For other countries the invitation should be prepared by the federal authorities, which takes time. We thus kindly ask you to start your registration as early as possible.

With a visa support letter one can apply for a short-term (30 or 90 days) humanitarian visa. If one needs a multiple long-term visa, please contact the Organizing Committee. You can find the list of Russian embassies and consulates around the world under <https://goingrus.com/info/en/get-russian-visa/russian-consulates>.

Accommodation

The majority of the Workshop events will be held at the Main Building of the Russian Academy of Sciences. Its address: Leninsky Prospekt, building 32A. It is situated near (700 m) the *Leninsky Prospekt* metro station and *Ploschad Gagarina* MCC station.

The only hotel within a walking distance to the Workshop site is [Korston Club Hotel](#) **** (booking.com review score: 8.0).

Address: Kosygina Street, 15.

Standard single/double room rate: 109/128 Euro (including breakfast).

There are about 500 hotels in Moscow. We recommend you to book a hotel yourself via [booking.com](#). This way you can choose the most appropriate place and dates for you, send your request directly to the hotel, and change your reservation. We will offer later another set of hotels from which minimal transportation to the Workshop site is required.

Currency and Credit Cards

Money exchange (preferably Euro or US dollars) is possible in various exchange offices in Moscow. There are also many ATMs (“Bankomat”) in Moscow which accept major credit cards. We recommend to have some cash since sometimes credit cards are not accepted in small shops.
